MEMORANDUM FOR JBAB All

FROM: 11 WG/CC

SUBJECT: REAL ID Base Policy Memorandum

1. In accordance with the REAL ID Act of 2005, and DoDM-5200.08, Volume 3, AFMAN 31-101, Volume 3, *Installation Perimeter Access Control*, effective 7 May 2025, all entrants to Joint Base Anacostia-Bolling must present REAL ID-compliant identification to establish identity for unescorted access to the installation.
2. Those who wish to gain unescorted access via a DBIDS pass must present an acceptable credential for establishing identity and be screened to establish purpose and fitness for entering the installation. Acceptable credentials and source identity documents must:
 - a. Be original and current (unexpired)
 - b. Not contain the markings "Not Valid for Federal Purposes," "Not For Use as Federal Identification," "Federal Limits May Apply," or any other similar phrase
 - c. In the case of a driver's license or non-driver's identification card issued by a State, territory, possession, or the District of Columbia, be compliant with the REAL ID Act of 2005
3. Individuals who: (1) have an existing DBIDS credential and will require base access after that credential expires, and (2) do not possess REAL ID-compliant identification at the time of renewal, may acquire a one-time, temporary 30-day pass from the Joint Visitor Center. After the 30-day period ends, a REAL ID-compliant identification will be required to continue base access.
4. Guests attending special events who have been sponsored by an individual with escort authority and placed on the Base Access List, but who lack REAL ID-compliant identification, must undergo a criminal background check at the installation access control point before being permitted to access the base.
5. Escorted access may be provided by those with escort authority to co-travelers who are in possession of current state or federally issued photo identification and are not foreign nationals. Per DoDM-5200.08, Volume 3, AFMAN 31-101, Volume 3, "with the exception of on-duty AFOSI (or sister-service equivalents), FBI, and USSS agents, no one is authorized to escort foreign nationals onto an installation".

6. For TMO-procured household goods moves onto or off the installation, sponsors may escort movers who do not possess a REAL ID-compliant identification without having to co-travel, provided movers are not foreign nationals and do not meet any base access disqualifications.
7. Personnel with escort authority may vouch for co-travelers under the age of 18 that do not possess a valid photo ID card.
8. If there are any questions, please contact the Joint Visitor Center at (202) 284-3555 or 11SFS.Visitor.ControlCenter@us.af.mil.
