SPECIAL EVENT ACCESS REQUEST

INTRODUCTION

The JBAB Visitor Control Center (VCC) is responsible for processing all base access during special events for visitors eighteen (18) years of age or older. Children under eighteen (18) will not require official vetting and processing, however they must be escorted onto the installation. Photo identification is not required for minors, but highly suggested (*i.e. state ID, school ID*). Special Event Access Requests are required for events involving eleven (11) or more non-Department of Defense (DoD) credential holders who need unescorted base access privileges.

INSTRUCTIONS

List all visitors who are eighteen (18) years of age and older, and not in possession of JBAB access credentials. The total number of visitors will prescribe the proposed coordination timeframe needed for VCC staff to effectively vet and process all guests prior to the special event. Listed below are the recommended times for coordination.

- 300 or more** Coordinate **30-business days** prior with 11 SFS Anti-Terrorism Officer located at Bldg. 421, Brookley Ave. Mon – Fri: (0730- 1600 hrs).
- 200-299** Coordinate **21-business days** prior with the Joint Visitor Center’s Special Event Manager located at Bldg 256, McGuire Ave. Mon – Fri: (0500 – 1600 hrs).
- 100-199** Coordinate **14-business days** prior with the Joint Visitor Center’s Special Event Manager located at Bldg 256, McGuire Ave. Mon – Fri: (0500 – 1600 hrs).
- 99 or less** Coordinate **7-business days** prior with the Joint Visitor Center’s Special Event Manager located at Bldg 256, McGuire Ave. Mon – Fri: (0500 – 1600 hrs).

Send all emails to 11SFS.Visitor.ControlCenter@us.af.mil within the aforementioned timeframe. Ensure the email subject line is titled by the name of the special event and sponsor’s last name (*i.e. Promotion Ceremony, Smith*). It is the sponsor’s responsibility to coordinate with the applicable site manager at the event location prior to submitting the request form to the VCC. Once all actions are complete, return the request form to the VCC to initiate the vetting process and to receive a control number for event confirmation. If the event is located within base residence, “*Site Manager Information*” will not be required. Guests will be denied if derogatory information is identified during the vetting process, and/or if the intake form is incomplete or inaccurate.
